## CERTIFICATE OF ANALYSIS

|                       |                                                  |              |            |
|-----------------------|--------------------------------------------------|--------------|------------|
| Material/Product Name | Sodium methyl mercaptide or Sodium thiomethoxide |              |            |
| Batch Number          | SCI/2512001                                      | Quantity     | 2,000 Kg   |
| Mfg. Date             | Dec - 2025                                       | Retest. Date | Nov - 2026 |
| Cas No                | 5188-07-8                                        |              |            |

| SL. No.                                                      | Test Parameter                            | Specification                          | Result                  |
|--------------------------------------------------------------|-------------------------------------------|----------------------------------------|-------------------------|
| 1.                                                           | Description                               | Clear colourless to pale yellow liquid | Clear colourless liquid |
| 2.                                                           | Sodium thiomethoxide content by titration | Between 15% to 21% w/w                 | 20.40%                  |
| 3.                                                           | Sodium hydroxide Content by titration     | Not more than 1.0% w/w                 | 0.46%                   |
| Remarks: The material complies with the above specification. |                                           |                                        |                         |

|      |                                                                                     |                                                                         |                                                                                         |
